Compliments From Industry Stalwarts

Compliments

Narendra Paruchuri – Pragati Offset

“ Congratulations on the start of YESGO institute to train personnel in pre-press skills. A very needed skill. It will make a big difference to the industry. I am very happy that you started this and I wish you all the very best. ”

Edgar van der Velde – Frog Brand Services

“ I truly hope this new venture will be successful. I've spent my whole working life in packaging design and execution. A constantly changing field of expertise where skill development is in my opinion the basis for success. Many thanks and I wish you a successful start of your venture. ”

Govind Prasad – Sun Branding Solutions

“ Congratulations on your new venture. Yes Go! It's wonderful concept and I am proud to have been associated with you for so long, where I observed your sharp intellect and drive. I have every confidence that you will succeed flying solo and the YES GO Company will be a mover and shaker. You are a trendsetter and very savvy to start this business innovation. Wishing you all the very best! ”

Compliments From Industry Stalwarts

G V Bhavasar – Shilp Gravures Ltd

“ We congratulate you for your venture and our good wishes are with you, however due to our busy schedule we will not be able to attend the function. We are glad to note that YESGO – will be the Asia's Premier Institute for Complete Prepress and Packaging Software Training Along with Esko Software which is the need for today's tough competitive market to get highly skilled artists and designers. Candidates will have better exposure and practical training in your institute to cater to the printing industries. With your vast experience in this field, we are sure the candidates will definitely benefit from this institute.

We wish you all the success in your endeavors. ”

V Ramesh – Chennai Micro Print Pvt Ltd.

“ This YESGO is Excellent & need of the hour to the industry. ”

Guptaji – PR Packagings

“ First of all , a lot of congratulations for your new venture. I am really happy that you are taking initiative for skill India. My blessings are always with you. ”
